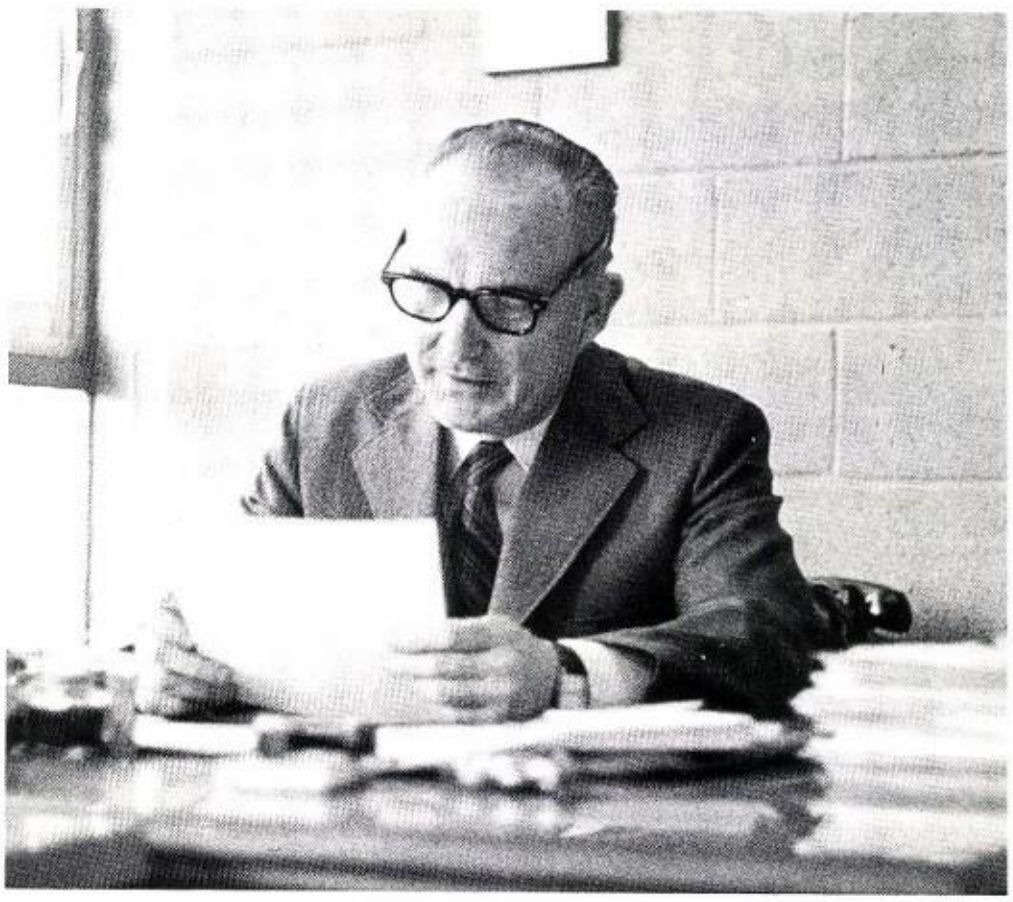
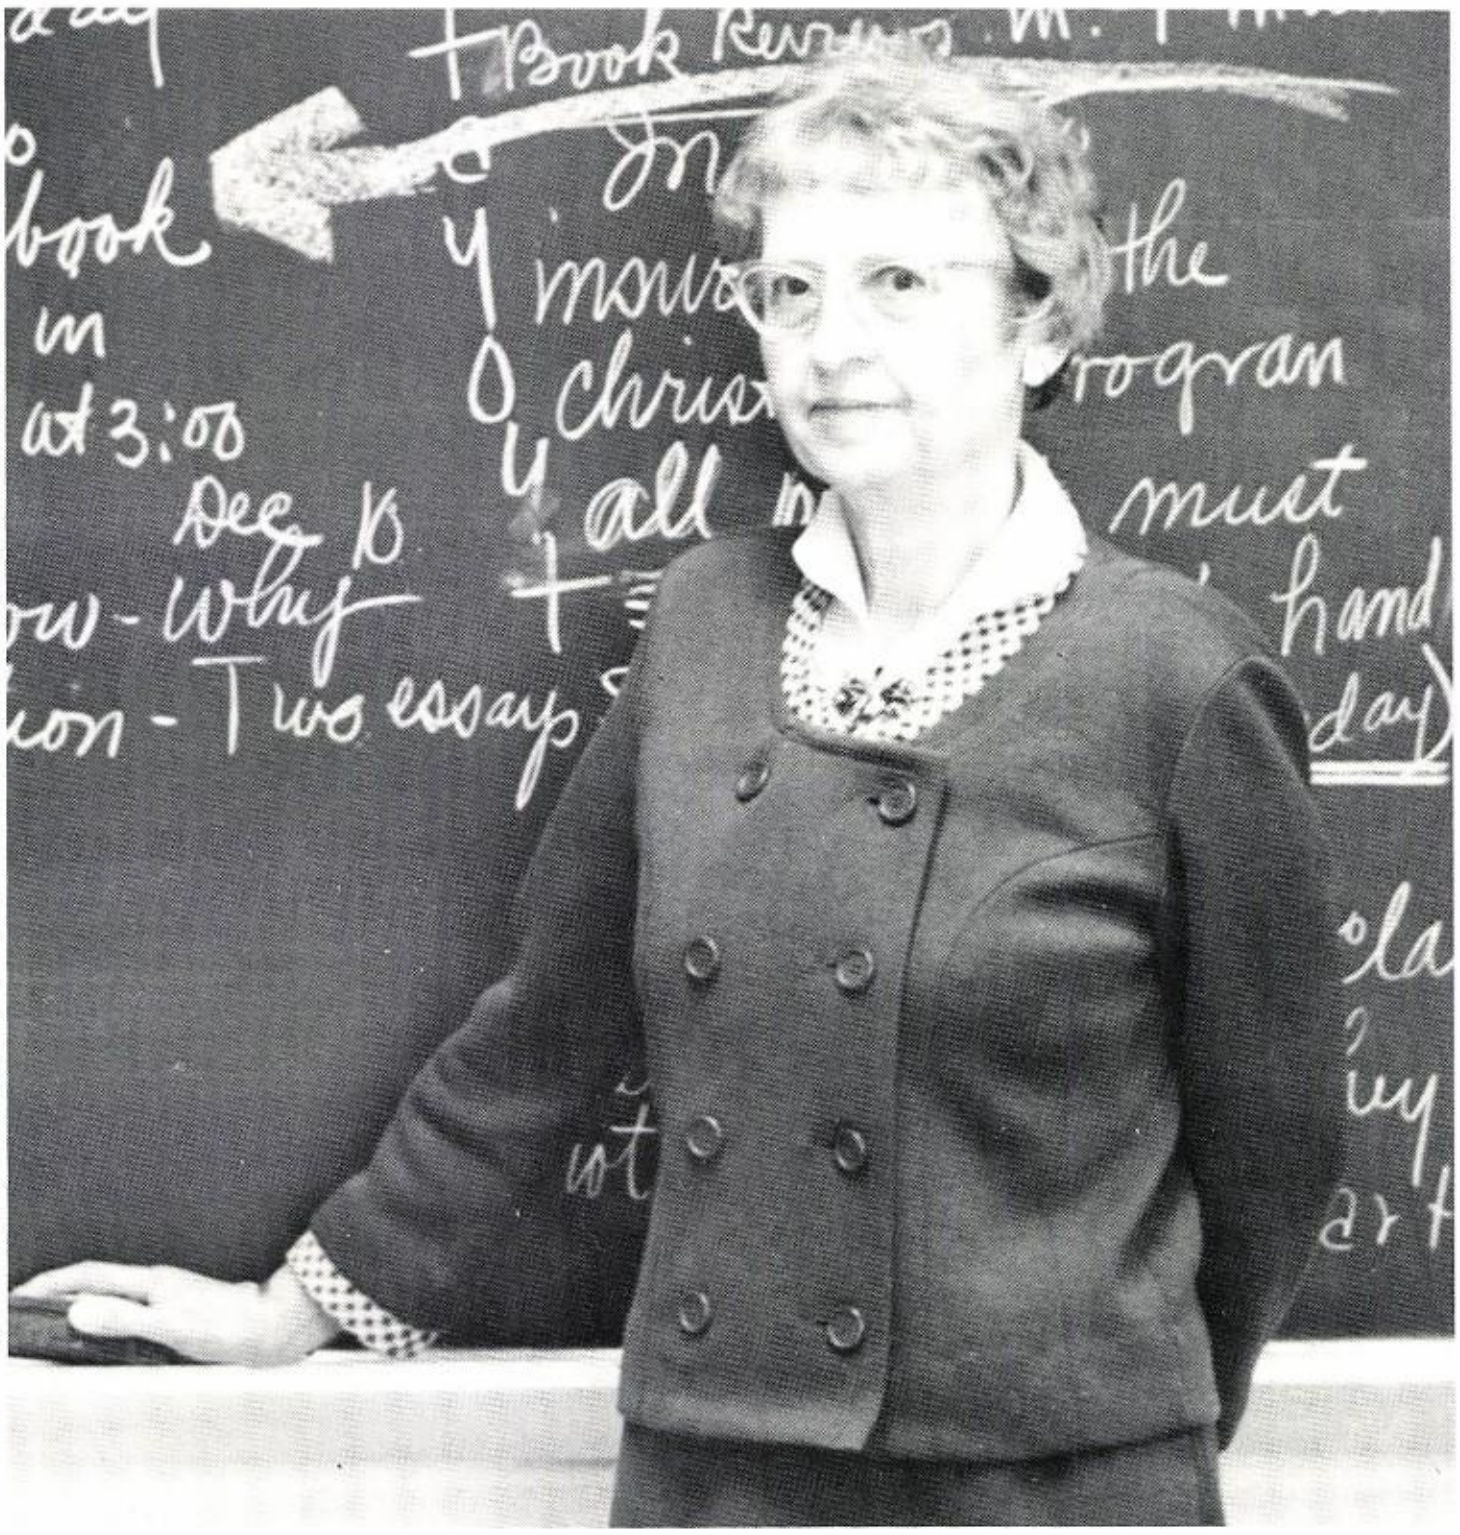
farewell

dr. richardson

you have given us the greatest gift of man — a part of yourself. unselfishly and untiringly you have given of your talent and energy, of your wisdom and strength, of your hopes and dreams. yours has been a labor of love, and we are grateful to you.



in memory of theodora kloha



the schools of the tarrytowns are saddened and somewhat diminished by the death of theodora kloha, a teacher of english, who gave endless hours and many years to the education of our students.
